OUR STORY, OUR THEATRE

"We have enjoyed attending McCallum performances for many years and are continually impressed by the first-class entertainment the Theatre brings to our community. We especially appreciate the McCallum's commitment to introducing young people to the arts and inspiring the next generation. Supporting the McCallum through our membership is one way we can help ensure that these exceptional performances and programs continue. We feel very fortunate to have such an outstanding performing arts venue here in the Desert."

— Helen and Robert Bushman
PRESIDENT'S CIRCLE BRONZE MEMBERS

"When we moved from San Francisco to Palm Springs, we looked to the McCallum to fulfill the arts and world-class performances we had come to enjoy in San Francisco and Chicago. We found all that and more. Joining the President's Circle added a new sense of giving back, fellowship, and connection that enriched our McCallum experience. Backstage tours, along with the Cabaret Series, Jazz Experience, and Veterans Celebration, have given us a deeper appreciation for the staff's dedication, the vital role of volunteers, and the care that goes into every performance. We are truly grateful to be part of the McCallum family."

— David Hall and Tom Foster
PRESIDENT'S CIRCLE MEMBERS

"Being members of the President's Circle is our way of helping support the McCallum and the extraordinary role it plays in our desert communities. We feel fortunate to enjoy so many outstanding performances right here at home — artists and productions we might otherwise have to travel to a major city to experience. We are proud to support the McCallum and help ensure that this remarkable Theatre continues to thrive for generations of theatre-goers to come."
