Celebrating the Artists of Today and Nurturing the Artists of Tomorrow

Giving Opportunities

Now in its 26th year, this community-supported festival elevates the art of dance in three vital ways:

- *brings professional artists to the Coachella Valley to compete for cash awards and international, life-changing recognition*
- *invests resources in local youth as well as emerging artists through Master Classes, Workshops and the opportunity to dance on the McCallum stage*
- *pays tribute to a leader in the field who has left an indelible mark on the art form*

Please consider supporting this transformational program which puts the art of dance center stage.
